FURS.

WASHINGTON.

A remarkable opportunity to buy the best furs at only a part of their actual worth.

We have left a few choice coats in French Seal, Hudson Seal, Genuine Mole, Mole Squirrel and Caracul. Also a few choice sets at greatly reduced prices.

All furs bought will be stored, if desired, and the charges for same are very moderate.

F Street, Corner 13th

Until a short time ago, scarcely one person in a thousand had ever tasted a really good soda cracker—as it came fresh and crisp from the oven.

Now every man, woman and child in these United States can know and enjoy the crisp goodness of fresh baked soda crackers without going to the baker's oven.

Uneeda Biscuit bring the bakery to you.

A food to live on. Stamina for workers. Strength for the delicate. Bone and flesh for little folks.

It will cost you just 5 cents to try Uneeda Biscuit.

AWAY GO PIMPLES, BLOTCHES, SORES, ULCERS AND ALL BLOOD DISORDERS.

Pimples, eruptions, blotches, scales, ulcers, sores, eczema and chronic swellings are caused by bad blood, but don't become discouraged-no other trouble is so easily overcome. Cascarets are wonder-workers in the cure of any disease caused by bad or impure blood. They eliminate all poisons, build up and enrich the blood, enabling it to make new, healthy tissue. Pure blood means perfect health, and if you will use Cascarets they will give you good health and a pure, clean skin, free from pimples and blotches. To try Cascarets is to like them, for never before has there been produced as perfect and as harmless a

blood purifier, liver and stomach regulator as Cascaret's Candy Cathartic! Pe sure to take Cascarets and you will surely have good, pure, healthy blood and no more eruptions or disfigurements. A 10-cent box of Cascarets will

Chicago Woman Accused of Speakers Outline the Needs of Murdering Eight Persons.

TRIAL SET FOR TOMORROW SCHOOLS FOR CHILDREN

Story of Brutality and Fiendish In- Addresses at Meeting of Southern genuity to Be Unfolded.

USE OF POISON IS ALLEGED

Counsel to Enter Plea of Insanity for Defendant, Who Declares She Is Innocent.

CHICAGO, March 6. - That she is a modern Lucretia Borgia, who fairly revels in death, and has caused the sudden demise by arsenic poisoning of eight persons beside that of Policeman Arthur Bissonette, are the charges with which Mrs. Louisa Vermilya will be compelled to face when she is carried into court the mountain people along strictly inhere tomorrow to be put on trial for the dustrial lines, declaring that their conalleged murder of Bissonette. She is now in the prison hospital suffering from the effects of an attempt she made on her own life soon after she was arrested last November.

The state's attorney has amassed evi-Banner Elk, N. C., who gave interesting dence of a most gruesome natur, which descriptions of the work being done oy he declares will prove conclusively that the mountain boys and girls in the Mrs. Vermilya poisoned her victims in order to collect their life insurance. It is the general opinion that the accused woman's attorneys will resort to the insanity plea as a defense. port, said the association is now ready

Story Without Parallel.

For cold-blooded brutality and fiendish section of the southern mountains, which ingenuity the story of Mrs. Vermilya's will be selected this summer. For this career that the state's attorney will un- purpose \$5,000 has been promised by D. fold at the trial is without parallel in the G. Ambler, a resident of Florida, and annals of crime in the middle west. Evi- other subscriptions have been received. dence will be presented tending to show This school will be conducted strictly that the defendant caused her alleged along the industrial lines advanced by the victims to unconsciously assist in their association and the schools which the asown execution. The prosecution declares sociation helps to suppor that the woman has a natural genius for the mixture of poisons equal to that of the most expert chemists, and that an innocent appearing pepper box was invaria- where in the southern mountain region, bly used as her instrument of destruc-tion. According to one of the district at-ditions of whose lives are hard and torney's assistants, part of Mrs. Vernilya's plan was to tempt her victims spread out on the dining room table, on which the pepper box was also placed. This little box contained a most deadly solution—a mixture of pepper an arsenic, which invariably brought on a short but these children to take employment to take employment to the trouble comes from a special beetle that winters in the dying pine trees. It the resources within their reach; to improve the conditions of home life, and to fit them to become a special beetle that winters in the dying pine trees. It has been found that the spread of the prove the conditions of home life, and to fit which invariably brought on a short but fatal illness. The sudden attack never failed to baffle the skill of physicians, and was usually diagnosed as "acute

Unusual traits in Mrs. Vermilya's character, brought out during the police investigation which followed the death of Bissonette, are expected to be used by counsel for the defense in an effort to prove that the prisoner is mentally unbalanced—a monomaniac—as several physic.ans have descr.bed her "fostering an irresistible fascination for the sight of

Testimony of Undertaker.

C. C. Boysen, the undertaker who had resentative Littleton was able to give Vermilya's alleged victims, testified at a mountain children, and to be the only means to preliminary hearing that she was in the bring out this latent strength which as habit of calling at his place of business yet has not been developed.

and keeping him posted on the condition He pointed out the great dangers of the people in the neighborhood who were sick unto death. He declared that he always thought the woman was unbalanced, as she seemed to have but one infested cities, all because the mountaingly in life, and that was to be an early her not been tought the first rules. joy in life, and that was to be present at eer has not been taught the first rules of bedside when some poor creature was sanitation.

Representative Littleton scouted the

One piece of evidence that the defense is expected to present in the effort to prove the prisoner insane is the photograph that occupied the place of honor in her family album. It is the picture of a life prisoner in the place of honor in her family album. It is the picture of a life prisoner in the prisoner in the picture of a life prisoner in her family album. It is the picture of a corner of the cemetery showing an unusually large number of headstones.

Mrs. Vermilya first attracted the notice of the police left October 1988. of the police last October when Arthur Bissonette, a member of the Chicago po-lice force who was boarding with her,

malady, which the attending physician the country; that there are among them could not fathom. He was removed to a hospital and died in two days, from what the examining physicians called a serious early Puritan fathers than there are in Mrs. Vermilya had stated on several of the mountain population is of foreign occasions that she was going to marry birth or mixture. As a government offi-Bissonette. This fact aroused the suspicions of the dead man's brother, Peter them industrial trades, and pointed out Bissonette, who knew that a date had the great resources going to waste in the been set for the wedding of his brother mountains because the people have not

been set for the wedding of his brother and Miss Lydia Rivard of Kankakee, Ill. Peter informed the police of his theory that his brother did not die of gastritis, but that his death was caused by some mysterious act of Mrs. Vermilya, whom he charged with being jealously in love with the dead man. An examination of the body by the coroner's physician resulted in the finding of a quantity of arsenic in the viscera.

mountains because the people have not been taught anything but to scratch a little in the ground and live a hand-to-mouth existence. He urged their uplift as a duty of the nation, and only a little spark from that other world would stir up the whole community and save for the country the best foundation for its liberty and its future development. "A higher degree of general and technical education is sadly needed," Dr. Claxton declared.

Investigation by Police.

The police immediately began a thorough investigation, which resulted in Miss Margaret L. Parker, the M.sses Miss Lucille Hollerigh, Miss Margaret L. Parker, the M.sses Miss Miss Margaret L. Parker, the M.sses Miss Miss Margaret L. Parker, the M.sses Miss Miss Miss Margaret L. Parker, the M.sses Miss Miss Miss Miss M The police immediately began a thorhave been the cause of suicidal attempts organizer of the association, broke all by Mrs. Vermilya. She finally succeeded in cluding the guards whose duty it was to prevent any more attempts at self-destruction and swallowed a dose of arsenic which for a long while threaten-The climax to the investigation came
